### A Woman's Kindly Act

Mrs. G. H. Eveland, Duane Mills, Ill. writes: "I was stricken with lumbago, unable to turn in bed. A neighbor brought Foley Kidney Pills. She had been similarly afflicted and they cured her. I was cured by three bottles." If the kidneys do not function, lumbago, rheumatism, aches, pains are apt to result.

### Haysville Burnt.

Last Sunday morning about one o'clock A. M. a gasoline stove in Whitten's lunch room at Haysville caught fire and resulted in the Stamm Saloon, the lunch room, Hinsel hotel and the Keifner building and Saloon burning up. ### He Could Hardly Walk.

Deranged kidneys cause rheumatism, aches, pains, soreness, stiffness. Ambrose Gary, Sulphur, Okla., writes: "I was bothered with kidney trouble ten years and at times could hardly walk. I began taking Foley Kidney Pills. I got relief from the first but continued till I had taken three bottles. I feel like a new man." Jos. A. Mehlinger

Frank Knapp, Colonel Gustav Zipper, John Birk, George Schmidt, Ruby Klee, Harry Melchior and Harry Aberg went fishing at White river last Saturday. But the fish didn't bite. However they say that they ate lots of George Ovels eggs and roasting ears. No fish. Boys you ought to know the best time to fish is when fish are biting. Frank says Birk is a g. fisherman as he had frozen feet when he got there and had them when he left.

### Just The Thing For Diarrhoea

"About two years ago I had a severe attack of diarrhoea which lasted over a week," writes W. C. Jones, Buford, N. D. "I became so weak that I could not stand upright. A druggist recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. The first dose relieved me and within two days I was as well as ever." Many druggists recommend this remedy because they know that it is reliable. Obtainable everywhere.

I love the golden days of July.

And so might you if you try.

With its frequent rain,

On the window pain,

And nothing to do but say "Shoo fly."

The thing that bothers me worst is how

It can possibly rain again now.

It would seem that the sky

Must be nearly gone dry

Or at least mighty nigh anyhow.

### A Sudden Death.

Martin Schumacher died suddenly at his office last Saturday at about 2 o'clock p. m., of fatty degeneration of the heart. Aged 33 years, 5 months and 15 days. The funeral services were held at the residence of Mrs. Isidor Schumacher, on North Main Street Monday Aug. 21st at 2:30 p. m. Buried at Fairview cemetery. She was buried at St. Joseph's Cemetery beside her husband, who died several years ago. May she rest in peace.

### The Best Laxative.

To keep the bowels regular the best laxative is outdoor exercise. Drink a full glass of water half an hour before breakfast and eat an abundance of fruit and vegetables. To establish a regular habit and to ensure that your bowels move once each day. When a medicine is needed take Chamberlain's Tablets. They are pleasant to take and mild and gentle in effect. Obtainable everywhere.

Every up-to-date Dubois county farmer should have his own printed letter heads and envelopes with the name of his farm home printed thereon, especially the envelopes with the return address. We can print you 100 of each for \$1.50 on good material. Give us your order.

### A Good Thing For Children

Foley's Honey and Tar is a particularly good cold and croup medicine for children because it contains no opiates or habit-forming drugs. The "little colds" of summer, as well as the long standing, deep-seated coughs, that hang on for months, are banished by its use. The first dose brings relief and comfort.

### THE MAN ABOUT TOWN

By John Bick

It has been seen about town that a white man will go between four darkies and take a drink the darkies paid for it.

It is stated that there should have been a reproduction of the mannoons performed on the return train from Louisville, there were some fancy performances.

John Haty is making empties at A. J. Eckert's Mill—Andy fills them.

The pop wagon is conducted by a crew of brownies.

The last home run made by Louisville excursionists was safely made by Anton (Putty) Eckert. He says the niggers could not make German so he drifted to the L. & N. depot for Memphis. He was however advised that it was on the wrong train (the southern was on time) and Putty is a royal good fellow and that is because this fellow says he is glad to be back to civilization and will remain.

Watch & Block were run home for sleeping. Watch says he used to be run (in) but he thinks he ought to sleep once in a while although he says Dave treated them royal and they thank him for it.

Usually the chickens flew but in modern days they go on a motor truck or Ford and cackle just the same.

There has been a request that the man about town should write up each week, but as he used to be a traveling man and made his regular trip every two weeks he will not change his habit and you will read it two weeks.

The citizens of Little Ky. have an up to date crossing from N. Kress to the Ice plant. The City authorities ought to be complimented.

Providence, R. I., has 1,000 jitney busses in operation.

The emperor of Japan sleeps on a rug with bamboo sticks for a pillow.

### Liver Trouble

"I am bothered with liver trouble about twice a year," writes Joe Dingman, Webster City, Iowa. "I have pains in my side and back and an awful soreness in my stomach. I heard of Chamberlain's Tablets and tried them. By the time I had used half a bottle of them I was feeling fine and had no signs of pain." Obtainable everywhere.

### A Fly in the Beer.

If a fly drops into a beer glass one who has made a study of national characteristics can easily tell the drinker's nationality by his action.

A Spaniard pays for the beer, leaves it on the table and goes away without saying a word.

A Frenchman will do the same except that he swears while he goes.

An Englishman spills the beer and orders another glass.

A German carefully fishes out the fly and finishes drinking his beer as if nothing had happened.

A Russian drinks the beer with the fly.

A Chinaman fishes out the fly, swallows it, and then throws the beer away.

### He Could Hardly Wear His Clothes

Alvis Sowers, Ade, Ind., endured terrible pains in his back and through his kidneys for eight years before he finally used Foley Kidney Pills. He says: "I would blot up at times so that I could hardly wear my clothes. Secretions were scant and very red. Foley Kidney Pills were recommended to me, and the first box removed the pain and after taking only three boxes the blotting was all gone and has never bothered me since."

Just about everybody who has used Foley Kidney Pills is anxious to recommend them. From every state in the Union come letters praising Foley Kidney Pills, because they so tone up and strengthen the kidneys that by their vigorous, healthy action all the ill results of sore, weak, ailing kidneys and irregular bladder action are lost in a return of health and vigor. Swollen, aching joints and rheumatic pains quickly yield to their healing, curative qualities.
